Welcome to the already 3rd WanaZiwi Newsletter.

This is the third newsletter about the WanaZiwi project and there has happened a lot in Dodoma.

Firstly we would like to thank our sponsors and supporters for their financial contribution and the support for the project. We would especially like to thank Scania and Wetterskip Fryslân. We greatly appreciate the enthusiasm and commitment with which these organizations and everyone involved are committed to our project. This is very motivating and stimulates us to continue the project with a lot of enthusiasm and fun. Many thanks to everyone involved!

Furthermore, in this newsletter you will find an update by Nienke about the progress of the women in the Dodoma District. Also Hawa will tell about her activities and experiences. The pictures show the enthusiasm of the women.

An additional note is that our team member Alyanne is currently studying at the university of South Africa. We wish her all of the best!

Finally, we hope that you have a great time reading the newsletter.

Danica, Rosanne, Alyanne and Nienke.
